

Survey Privacy Statement

Purpose of Survey

Thank you for participating in this survey! We ask each of our patients to answer these questions annually. The answers you provide when completing our survey will help us to gather the statistical information needed to apply for grants. This data also helps our board to make decisions about services provided by our clinic.

What information we collect

We collect basic demographic information only. We do not collect identifying information such as your name or email address. Therefore, your responses will remain anonymous. No one will be able to identify you or your answers.

Information Sharing & Disclosure

Our surveys are conducted using Google Forms, a service provider with certified privacy compliance. You can find Google's Privacy Policy at <https://policies.google.com/>.

Revocation

You can access this Privacy Notice at any time on our website <http://www.fanninhealthclinic.org>. The Survey is entirely voluntary. If you do not wish to participate in the survey, it will not impact your access to care.
